

NEWS ALERT

COVID-19 UPDATE 26 JULY 2021

Vaccination for ages 18-34 to start 1 September

HOT OFF THE PRESS:

All adults over the age of 18 are eligible for vaccination from 1 September 2021. No appointment is necessary as walk-ins are permitted at vaccination sites.

South Africa is now administering 240 000 vaccines every weekday, with over 10% of the population already having received one dose.

We are expecting 31 million doses from J&J and Pfizer over the next few months, and Aspen will begin manufacturing vaccines solely for the African continent.

BioVac in Cape Town will be manufacturing Pfizer vaccines for the African continent.

If you are 35 years or older, register and get vaccinated:

The infectiousness of the Delta variant makes it now more important than ever to adhere strictly to COVID-19 safety protocols:

Wear a mask

Sanitise your hands regularly

Maintain social distancing
