

NEWS ALERT

VACCINATION UPDATE 22 JUNE 2021

Vaccination walk-ins allowed for persons over 60

HOT OFF THE PRESS:

Anyone 60 years and older can now receive a vaccination without an appointment at a public site. Only those who have private medical aid should go to a private site.

Private sites will vaccinate anyone who is 80 years and older, whether or not they have private medical aid.

It is preferred that everyone eligible for vaccination register on the Electronic Vaccination Data System (EVDS), but those who have not registered will still be assisted.

Walk-ins will be assisted with registration, but may not be able to get vaccinated on the same day, as those with appointments will be prioritised.

To find your nearest vaccination site, visit:

It is now more important than ever to adhere strictly to COVID-19 safety protocols:

Wear a mask

Sanitise your hands regularly

Maintain social distancing
